Remarks from Chamber President, Patty Kankovsky with PKay Designs

Happy 4th of July and best wishes for a great holiday to you and your families. July is such a great month for summer fun. And it will be a fun and busy month filled with lots of great Chamber activities. I hope you will be able to join us in the many events we have planned.

We had a great time at our June membership meeting at Village Market. It was one big picnic under the tents with a fantastic lunch from Village Market. Many members brought guests and my thanks to them for introducing their guest to our Chamber. And the next day, Village Market hosted a BBQ with us for the community. Great ribs along with music and entertainment made for a good time for the hundreds of people who attended.

In July, we will once again have the chance to host a community wide event with Lakefront Days. Lakefront Days information is available at our website so please check for more details. I hope you will bring your families to enjoy the fun. Also, if you would still like to volunteer to help out any an event, please contact Sandi Fleck at the Chamber office. We welcome your participation.

Our July membership meeting is a wonderful showcase of our non-profit members. If you are a non-profit member organization and have not yet signed up, please contact Sandi to reserve your space. We would like to learn more about your organization and this is a great opportunity to do so. Our meeting will be held at Shepherd of the Lake on July 15. Lunch begins at noon, but everyone is welcome to come early and stay late to visit with our non-profit member organizations. Please RSVP to Sandi for your luncheon reservation. Last month we had 75 members attend the meeting; let's see if we can top that this month!

HoBaNet is our network group for home-based businesses. If you are a home-based business, you are welcome to join us at our monthly meeting. Our group meets the second Monday of each month at the Chamber office, with networking time from 5:15pm – 5:45pm and meeting immediately following.. At June's meeting, Robyn Kramer introduced us to LinkedIn. We also spotlight a business each meeting, giving them to chance to tell us more about their business, bring materials and samples and maybe even a special offer! Please join us at our next HoBaNet meeting on July 13.

We hope to see you at Lakefront Park during Lakefront Days!
